

Mobile Diaper Wrapping

HappyBottoms volunteer experience allows your group a “hands on” service project benefitting the Kansas City community. We rely on volunteers to help us prepare diapers for 38 partner agencies in 50 locations across the Kansas City Metro area.

With this opportunity, we bring our diaper wrapping experience to you at your location. You will wrap a set number of diapers based on the number of volunteers you would like to engage in the allotted time.

The Details of the Event:

- Tax-Deductible Donation: Your group will make a financial donation which covers cost of diapers, administrative fees, and supplies all based on the details of your event. Partial payment is due at least 30 days before your scheduled date with the remainder paid on the date of your event. For small groups, you may pay your donation in full on the day of your event.
- Activity: Your group will host a diaper wrapping/team-building event at a location of your choice to count and wrap the diapers into HB baby-ready packs (see attached guide).
- HappyBottoms Provides:
 - All of the diapers you need for your event (and at our discounted rate!)

Event Setup:

HappyBottoms repackages all of our diapers into packs of 25 so that they stay clean and dry for the families, and so that they can't be resold or returned to the store for other items. Wrapping diapers is easy and fun and can be done in an assembly line style setup (see example setup below).

Baby-ready Packs:

This is what your diaper packs should look like when they are baby-ready!
