

HAPPYBOTTOMS HOLIDAY PROGRAM

HappyBottoms Holiday, our version of adopt-a-family, gives our generous donors the opportunity to make a direct impact on the lives of families living in poverty by gifting them basic need items for their child this holiday season.

When you donate \$75 to our holiday program, a family will receive a special delivery of wipes, diaper cream, and a full box of diapers delivered to their house in December.

Donors will be provided with a photo of the package being delivered and have peace of mind knowing that the donation has freed up funds in a family's budget making room for special purchases this holiday season. It's our goal to bring joy and relief to these deserving families.
