

A LOT TO CELEBRATE!

We are blown away by your generosity! We had a goal to collect 60,000 diapers during April Showers Bring May Diapers, and we are thrilled to report that you blew that goal out of the water and donated 130,530 diapers!!! These donations will reach 2600 low-income children in our community! We cannot THANK the groups, companies and individuals who participated enough.

"Before HappyBottoms, I was really stressed because I had to ask family members for money to buy diapers. It made me sad to put that burden on them. I am so thankful to get diapers from HappyBottoms for the last year!"

VOLUNTEER OPPORTUNITIES

HAPPYBOTTOMS HERO

Rod & Sharon Hennig have generously supported HappyBottoms since 2013, after volunteering with us through their church. At that time, they made the decision that our mission aligned with their foundation, The Offering Hope Foundation, which helps meet the basic needs of children. Sharon says "Being a mom of 3, it really hit home for me when I was informed that people could not buy diapers with food stamps or WIC. I was very blessed to have enough diapers when my girls needed them. I can't

imagine knowing that your baby needs a fresh diaper and not having that available." The Hennigs take it very seriously when they decide where the grants from their foundation are awarded. "HappyBottoms is the organization that we have chosen to give our largest monetary grant to for the past several years. We believe in what they do, and we know that the funds are used wisely. We love HappyBottoms!" Thank you Rod and Sharon for being Heroes to the families that we serve!
