

YOUR SUPPORT IS GETTING ATTENTION

Diaper need does not take a summer break, and neither are we. Your generosity is allowing us to continue all of our new programs, which have reached so many families, as well as raise awareness about diaper need locally. Our message has even been heard all the way in Washington, D.C. (See photo below)

We are excited for two prominent accolades that we received in May, The NPConnect's Pivoting Pioneer Award and KC Business Journal's CFO of the Year, Top 16 Honoree. This recognition is raising eyebrows and we are taking the opportunity to use our voice and advocate for our clients with local and national policy makers. This process is not a short one, but we are happy to start this journey and hopefully get some results. Your contributions are making a difference, and we THANK YOU!

CLIENT CORNER

With Father's Day around the corner, we want to celebrate an amazing Father and GrandFather, Richard Dixon. Richard adopted 4 of his grandchildren when it became clear that their needs were not being properly met. Two of the four children, 3 year old twins, Jerusalem & Jamari have been receiving diapers from HappyBottoms for 3 years. Richard says that the money they save on diapers gives them a feeling of security, because they can buy other things that the four grandchildren need. Not only has Richard stepped up for his grandchildren, he is also an accomplished author. Check out Richard's Book "Sophie the Unicorn: A Magical Christmas Story" [HERE](#)

VOLUNTEER SPOTLIGHT

Congratulations Graduating Seniors!

Congratulations to all of our volunteers who are graduating seniors. We are especially proud of our graduating Junior Council members, who have served with us over many years: Emma Bessenbacher, Jeanne Eckels, Ellie Fuemmeler, Brynne Kelley, Simone Kuo, Lauren North and Erin

Scanlon. "I've been able to perform hands-on service, plan fundraisers and events, and make suggestions for the organization. It is truly unlike any other nonprofit that I've worked with in that it highly values our input and is open to any ideas we might have," said Jeanne Eckels. Thank you for your service. We know you'll continue to make a positive impact in the future!

HAPPYBOTTOMS HERO

Greg Heishman is a long-time supporter and volunteer for HappyBottoms. He has spread awareness of our mission to several of his colleagues and friends in various ways. His connections provided the indispensable racking system that allows us to maximize space in our warehouse. He has also provided items that helped in our fundraising efforts along with being a donor himself. Greg says, "I do it not only

because I enjoy it, but I want to connect other people to become involved with HappyBottoms. I want to be like a grain of sand amongst the vast beach". Greg, you truly are one of our HEROES!
