

VOLUNTEER OPPORTUNITY: HOST A DIAPER DRIVE

COLLECTION OPTION

What to collect

We collect diapers, pullups/training pants and wipes for children only. The most used sizes are 4, 5 and 6 but we accept all sizes of child diapers. Diaper packages can be new or they can be partial packages that are open in a bag or box. The wipes should be new and unopened.

Receipts

When we receive your donation, we will inventory the donation and send you a receipt and thank you. Please let us know who is the best person to receive the thank you receipt. Then our volunteers will process the diapers and get them ready for families to use within the month.

Advertise your Drive

We have created some language you can use to promote your drive to your family/friends/group (see next page for details)

You are also welcome to use one of our collection barrels if you would like!

VIRTUAL OPTION

How it works:

Similar to shopping for diapers on Amazon, you can donate diapers online that ship directly from our vendor. You can donate in the amount and size diaper that you want and the diapers will be shipped to us, pre-packaged and ready to be distributed.

- Visit <https://happybottoms-101520.square.site> and select the size and quantity of diapers that you would like to donate
- Compose a social media post (samples provided) and get your friends, family and co-workers to donate diapers online
- Create a group name to enter on our donation site so we can track your progress!
- Tag @happybottoms in your post and we'll share on our social pages too!

happybottoms™
diapers for families in need

Here are sample social media posts (feel free to copy and paste, combine messages or make your own):

Physical Diaper Drive:

- We are collecting diapers to help babies in KC! Did you know that without disposable diapers, babies can't attend most daycares? By collecting diapers for HappyBottoms, we can keep babies clean & dry AND help parents stay employed!
- Diapers are NOT a luxury but they are not covered by government assistance programs! Help over 13,000 KC babies have clean diapers by donating to our diaper drive in support of HappyBottoms. HappyBottoms is looking to help more babies than ever before. #aprilshowersbringmaydiapers
- Diapers are NOT covered by safety net programs like WIC, food stamps & Medicaid. By donating diapers in support of HappyBottoms, you can prevent families from having to take out payday loans to comfort their child.
- Can you imagine the discomfort that babies feel when they have to stay in a dirty diaper for too long? That's what happens when families don't have access to diapers. Help us collect diapers in support of HappyBottoms who gives nearly 3 million diapers a year to families in need.

Virtual Diaper Drive:

- Did you know that without disposable diapers, babies can't attend most daycares? By donating diapers to HappyBottoms, we can keep babies clean & dry AND help parents stay employed! Donate diapers [HERE](#) (Include group name XXXX)
- Diapers are NOT a luxury yet they are not covered by government assistance programs! Help over 13,000 KC babies have clean diapers by donating to our diaper drive in support of HappyBottoms. Donate diapers [HERE](#) (Include group name XXXX)
- Diapers are NOT covered by safety net programs like WIC, food stamps & Medicaid. By donating diapers to HappyBottoms, you can prevent families from having to take out payday loans to comfort their child. Donate diapers [HERE](#) (Include group name XXXX)
- Can you imagine the discomfort that babies feel when they have to stay in a dirty diaper for too long? That's what happens when families don't have access to diapers. Donate diapers to HappyBottoms to keep babies happy, healthy, & dry! Donate diapers [HERE](#) (Include group name XXXX)
